

Alex Sacui

Artist 1975 - present

The 1999-2003 *Nosepilot* work exhibited in 3 countries. I was a speaker and visiting instructor based on this series. It has been mentioned in a handful of diverse books and a handful of magazines in multiple languages.

Animator 2011- 2017

The Network (Navex Global)

I illustrated and animated scenes used by companies such as Google, TJ Maxx and Yahoo to educate employees about company philosophy.

Self employed illustrator, graphic designer, animator, muralist

2000-2010

Clients included *Realtor Magazine*, Transversal Theater, fruit packaging companies, self publishing authors, restaurants, a magazine in the UK, a company in Japan and even Exxon. Just one locally owned gas station but still.
